CIVIC CLUB AND CITIZENS NEGOTIATING FOR GAS

ROTARY CLUB, GUESTS HEAR REPRESENTATIVE OF GAS COMPANY SPEAK

Club Making Hard Fight to Procure Natural Gas for This Section—Supt. Bowes of Southwestern Gas Co., Is Principal Speaker—Members City Council and Others Talk For Proposed Improvement.

In response to an invitation asking the public interested to be present, there was a large and representative gathering Wednesday night at the regular Wednesday meeting of Bay St. Louis Rotary Club.

The main object was to hear Mr. F. B. Bowes, resident representative of the Southwestern Gas Company, of Biloxi, who had been previously invited to talk on the possibility and probability of getting gas service for Bay St. Louis and vicinity, including Waveland and Clermont Harbor.

Mr. Bowes was formally introduced by Joseph R. Scharif, chairman of the committee in charge who paid tribute to the fine public spirit of Mr. Bowes as a resident of the Coast.

Mr. Bowes said a survey had been made some years ago, at a time not propitious to the proposition and a sufficient amount of patronage had failed in the pledge; that the support was not commensurate with the cost of installing mains, operating expense, etc. However, he said later during the meeting that he would present the matter before the owners at Shreveport and he felt under new conditions and better promise of support it would be possible to accomplish the desired end; that it would be feasible and that a loss would not be incurred. Before leaving he promised that a survey would be made and the matter would be taken up again in the immediate future.

President Norton Haas presided and called upon various people present to express their views, even though the time of the meeting was very limited, saying that he was sorry he could not call on others whose views would be of value.

He called on Mayor G. Y. Blaize, City Commissioner W. L. Bourgeois, City Attorney Lucien M. Gex, Mayor Thomas J. Bourgeois of Waveland, Joseph O. Mauffray and Mrs. Edouard C. Carrere, of Waveland.

The opinions expressed were unanimous that gas was desired and would mean much for this section; that it was an improvement that had been sought for the past years and co-operation was pledged to encourage and to patronize the enterprise.

Commissioner Perkins and Attorney Gex spoke over a period respectively that gave a review of the situation, past and present. Mr. Gex said that a franchise had been granted to an individual from Louisiana a year or two ago but that franchise had automatically been cancelled and the field was open. Mr. Perkins said the city would grant every concession possible to give, provided, however, the consumer was provided. It was evident from the addresses that a liberal invitation was open to gas.

Mr. Joseph O. Mauffray, representing the business interests of the community, told what the installing of gas would mean for this section and how its lack had meant repeated loss to this community; that the loss of so many prospective residents meant higher taxes for our people to pay. That equipping this city with the advantage of gas for domestic purpose would mean a new era for the Bay-Waveland section. Mrs. Carrere said Waveland would welcome gas and she knew that it would mean much for that section as well; that it would find ready sale and the patronage, she felt sure, would be ample as to justify the company making the investment. All addresses were well received.

The attendance was one of the largest Rotary Club has had for a long time with so many invited guests. The luncheon was served in the main dining room of the hotel and the long table occupied the full length of the place.

Mayor Blaize's remarks were as follows:

Mr. Chairman, members Rotary Club, ladies and gentlemen: I am very happy to be with you today on this occasion, and I am sure it will instill me to attend more frequently these good eats you have from time to time—also discuss the needs and wants of our city.

I must confess the main reason why I did not attend these functions in the past was, because I am partly handicapped with my hearing. However, if at any time I can be

W. L. BOURGEOIS (Re-elected)

RESIDENT OF HANCOCK PASSES ON

W. J. Fleming, Sr., Aged 91, Father of Former Representative Buried At Turtle Skin Cemetery

W. J. Fleming, Senior, father of Former Representative W. J. Fleming, of Hancock county, died at his home in the county at 10 o'clock Tuesday morning, surrounded by his beloved ones at his home.

He was a native of Coffee county, Alabama, aged 91 years. After the civil war he moved to Hancock county and has resided here ever since. He is survived by his widow, Mrs. Samantha Thigpen Fleming and one son, W. J. Fleming, Jr., former representative from Hancock county and well known in Bay St. Louis as well as over South Mississippi.

Six grandchildren survive, namely: Mrs. Richard Leroy Williams of Summit, Miss, Rupert Fleming of Florida; W. J. Fleming, 111, of Picayune; Mrs. Dewey Anderson, of Meridian; Mrs. Ernest Dill of McNeil; Miss Golda B. Fleming of Picayune.

The funeral took place Wednesday afternoon, with McDonald Bros., of Picayune, in charge of the funeral arrangements, burial at Turtle Skin cemetery, on Old Spanish Trail, Rev. S. P. Powell, pastor Baptist church, officiated.

The venerable resident of Hancock county was known far and wide and notwithstanding his advanced age the news of his death was unexpected. He had been ill only a short while and the end came unexpectedly, passing away peacefully, as he had lived a long and honorable life.

SENATOR HARRISON TAKES OATH OFFICE FOR FOURTH TERM

Senator Pat Harrison, dean of the Mississippi delegation in congress, took the oath of office for his fourth term in the Senate.

He was accompanied to the vice president's dais by Democratic Leader Robinson in the absence of Senator Theodore Bilbo, his junior in Mississippi.

Harrison entered upon his 26th year in Congress. The chairman of the senate finance committee has served 18 years in the senate, longer than any previous Mississippi senator.

Garment-Making Plant For Gulfport Looms Soon to Activity

Gulfport will have a garment factory in operation pretty soon, according to officials in charge, who state that the old Wolcott and Campbell spinning mill will be turned into a modern garment factory, as details of the purchase have been completed.

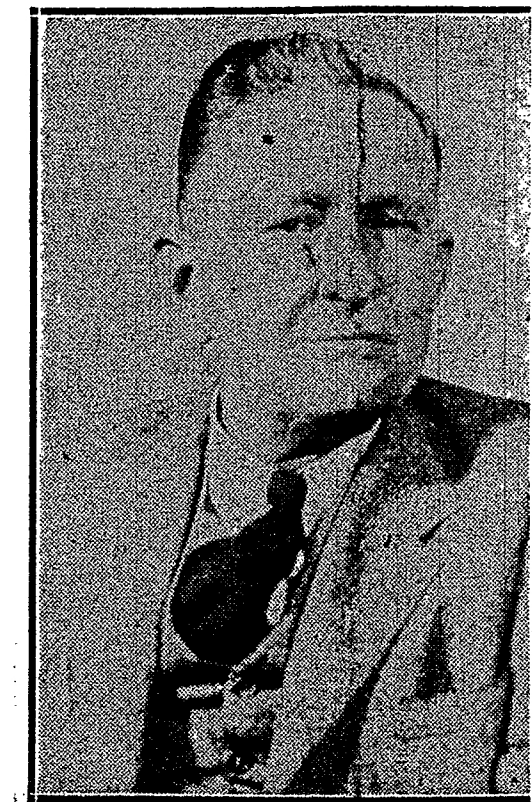

High grade pajamas and shirts are to be made in the new plant, machinery for which will be installed immediately. There will be 300 persons employed in the plant after it is in operation, but the number will be increased to 1,000 after it has become established and in operation for some time.

MAYOR IS ADVOCATE FOR GAS

Joins Fight Seeking Natural Gas Be Piped to Bay St. Louis.

Mayor G. Y. Blaize is an enthusiast and ardent booster for natural gas to be piped to Bay St. Louis for domestic and industrial purpose. Giving his unqualified moral and personal support to the Rotary Club in its renewed fight for natural gas he said in an interview during the week he would continue his support and lend all effort in the endeavor to procure an improvement that would be of lasting and inestimable benefit both to city and its people.

"It has been only too true," said Mayor Blaize, "that in the past we have suffered the loss of new resi-

dents that otherwise would have located here were we able to offer the advantage of gas."

"Prospective purchasers of real estate, heads of families that visited here with a view of locating have gone to other points along the Gulf Coast, purchased property, moved and are now permanently located—for enjoyment and benefit of our marvelous climate, general economic conditions and to embrace the advantages as well of school facilities and where gas is available."

"Instances are too many for our good where prospective summer residents visited here and soon finding out that no gas existed for domestic purposes have gone to Pass Christian and other places nearby, but out of the county."

"All towns along the Mississippi Gulf Coast offer the service of natural gas, excepting Bay St. Louis. We appear to be isolated, the 'goat' of a situation that, indeed, is very discouraging and disconcerting."

"Sale and intrinsic value of our real estate would not only boost but would weigh double in value, increased desirability would result and subsequent immediate sale would be available. There is hardly a town the size of Bay St. Louis, so near the source of natural gas that is not equipped with gas," continued Mayor Blaize, "would easily prove a factor in salesmanship. I have in the past, as is well known, exerted every effort toward the procurement of gas. I am heartily in favor of the improvement and ready to back the Chamber of Commerce and Rotary Club in the renewed campaign."

Delinquent Auto Tag Buyers Receive Fines in Hinds

Delinquent Hinds county auto tag purchasers who "took a chance" on operating their vehicles with last year's license plates, were "telling it to the judge," in various courts of the county Monday.

Disregarding the warning of Sheriff Roberts Sunday to stay off the highways with old tags, more than 100 motorists were picked up by Hinds constables and made to pay fines, in addition to the regular 25 per cent penalty for late purchases.

"We weren't joking," the sheriff declared, "peace officers have their instructions and, of course, they are making it pay in carrying them out. Old tags can no longer be used in Hinds county."

GULF COAST IS A WONDERLAND

Mississippi Gulf Coast area, according to government reports, has the most equal and desirable rainfall in the country. No droughts, no rainy seasons, more sunshine and better health. This is well nigh a perfect place where to live and the wonder is why more do not make the Coast their permanent home.

CITY COMMISSIONER TOOK OATH OFFICE MONDAY MORNING

H. GRADY PERKINS (Re-elected)

MOTHER REGINA OF ST. JOSEPH'S, CLAIMED BY DEATH SATURDAY

Had Long Been Ill; Was Sister of Bay St. Louis Resident.

The death of Mother Regina, member of the sisterhood of St. Joseph, was announced Saturday morning from St. Joseph's convent at Baton Rouge, La.

Mother Regina had been ill for a long time and with her advanced age her passing away was not unexpected.

She was a native of New Orleans, a Miss Unlake, member of a prominent family of that city. She was a talented woman, a musician of more than ordinary ability and was for a number of years located at Bay St. Louis and a member of the Academy faculty, specializing in the teaching of music.

It was while at the mother house at Washington, Ind., she was stricken some years ago.

Surviving are Sister Lucilla in religion, also at the local convent a number of years, now of Baton Rouge; and Mrs. Geo. E. Pitcher, another sister, of Bay St. Louis.

Mother Regina was well known here and her passing away from the midst of many friends will be learned with sorrow. A remarkable woman has gone to her reward. She was an outstanding force in her chosen life of sacrifice and doing.

Mrs. Heath To Be Reviewer of Book Wednesday Afternoon

An American Doctor's Odyssey by Victor Hieser, will be reviewed on Wednesday afternoon, January 13, at 4 o'clock in the Hotel Weston by Mrs. E. M. Heath of New Orleans.

Mrs. Heath reviewed Joe Atkins' Pulitzer prize-winner, "The Old Maid" here last June and was so well liked by her audience she had to repeat it the following week.

Mrs. Wiggs of the Cabbage Patch by Alice Rice and Further Adventures of Lad by Albert Payson Terhune, have been purchased for the juvenile shelves of the Hancock County Library.

Benefit Association Members Have Xmas Party at Club House

Members of the Bay St. Louis Women's Benefit Association were enjoyably entertained at pre-Christmas party at the W. B. A. Club House, Bookter street, on the evening of December 18.

Santa Claus was the guest of honor for this festive occasion and remembered each and every member with a favor. Another feature of the event was the exchange of personal presents, another source of interest and lasting remembrance.

Refreshments for the evening consisted of candy, cake and hot chocolate and finally the social came to an all-too-early end.

W. B. A. Rally To Be Held in Bay Saint Louis January 28.

Plans are in the active making for the district rally of the Women's Benefit Association, to be held in Bay St. Louis, January 28. Delegates will represent Biloxi, Gulfport, Algiers and New Orleans. Participating in the rally ceremony Supt. Vice President Crox and Supt. Pageant J. Little as honor guests.

ROCKS TO OPEN '37 SEASON

Basketball at College Gym Saturday Night With Pass Christian Five.

Saturday night the Stanislaus Rock-A-Chaws open their 1937 basketball schedule when they meet the Pass Christian quintet at the college gym.

The Bay Hi girls setxet will meet the Pass Christian girls team on the floor of the college gym at 7:30 so that the college game should start shortly after 8:00.

In spite of the loss of "Chico" Gonzalez, Gerchow, and Cripps, three stars of last year's team, Stanislaus expects another strong quintet with Marino Sires, V. J. Gianelloni, and "Lulu" Rogers as the nucleus.

Stanislaus' probable line-up will find Sires at center, Rogers and Perry at forwards, Gianelloni and Ivicovich or Rugan at guards.

Admission: Adults 25c, students 15c.

Re-Appointed Attorney City of Bay St. Louis

LUCIEN M. GEX

will serve city in capacity as legal adviser for next four years, completing a successful similar term.

Bay Central P. T. A. To Meet Tuesday At 3:30 At Schoolhouse

The regular meeting of the Bay Central P. T. A. will be held at the school, Tuesday afternoon, January 12, at 3:30 o'clock.

Capt. Erath will collect all old newspapers and magazines for the P. T. A. on Friday, January 8th. Please have your papers in a convenient place.

New Orleans Meeting Launches Methodist Mission Crusade

Methodist dignitaries and laymen from the United States and abroad, gathered at New Orleans this week for the general Missionary Council.

Two board purposes were outlined. One was to seek greater financial support for missionary work in foreign countries and the other was to launch the "Bishop's Crusade."

The "Bishop's Crusade" was described as the "greatest missionary and spiritual mobilization Methodism has ever known."

The council meeting is a prelude to scheduled missionary rallies in 14 cities in the United States, beginning January 12 and ending in February.

S. S. C. MOTHERS' CLUB TO GIVE CARD PARTY

Mothers Club of St. Stanislaus College announces a benefit card party at the College Lounge Room on the afternoon of Monday, January 18, to which friends and the public in general are invited. The affair is planned with much attention and a delightful afternoon is in store for patrons.

Recently-elected mayor and city commissioners were officially sworn into office, to hold for four years, Monday morning when Justice of the Peace Alcide Ladner administered the oath of office to the trio that succeeded themselves.

The officials are Mayor G. Y. Blaize; Commissioners, W. L. Bourgeois, H. Grady Perkins. They immediately convened the council into session and among other business transacted announced the following appointments:

City Attorney—Lucien M. Gex. City Auditor—C. A. Gordon. Church clock keeper—Gus E. Temple.

Street Foreman—Albert Favre.

Firemen—Frank Quintini, 1 year; Joseph Scafide, 1 year; Marcel Telhiard, 1 year.

City Hall Custodian—L. C. Carver. Cemetery Keeper—Oscar Lafontaine.

Waterworks Foreman—Albert Monti. Helper, Joseph Taconi.

Election commissioners—R. N. Blaize, A. E. Thiery, Albert D. Bighl. Members School Board—Walter J. Gex, Jr., 4 years. R. C. Cagle, 3 years. Mrs. C. C. McDonald, re-appointed, 5 years.

Dr. Jas. A. Evans remains on the board. One vacancy to be filled and announced later. Five members constitute the board.

Street laborers—Fred Banderet, Andrew Pouyadoux, Frank Dillman, Alfred Arnold, full time. Others, half time; Pedro Monti, Manuel Maurig, Roger Estapa, Albert Heitzman, Jr.

All appointments are practically as formerly, only Frank Quintini is a newly-appointed fireman. He succeeds Frank Dillman who was given place on the street force as one of the truck drivers.

Messrs. Gex and Cagle are new members school board. They succeed two members whose terms of office expired some time back.

The city has had a successful administration, one of constructiveness and sound economy and it is well the mayor and commissioners will continue their tenure of office for another four years. Their first big work is to reorganize the city's finances, already, arranged to put the city on a cash basis and to pay as they go. In addition they plan to expand the waterworks system by adding larger mains and installing others where none exist at present.

The city will pay its allowances every month, the year round, operating strictly on a cash basis and no more waiting to issue warrants and to pay.

Congratulations and best wishes go to the new administration and to their appointees. We look forward to a continuance of a successful and constructive administration.

Seeking Bids For Planting Bay City Postoffice Grounds

The Procurement Division, public buildings branch, Washington, D. C., under date December 18, announces bids will be opened in that office at 10 A. M., January 18, 1937, for seeding and planting the grounds of the Bay St. Louis postoffice. Drawings and specifications, not exceeding one set, may be obtained from the custodian of the building or at the office at Washington in the discretion of the Assistant Director of Procurement, Public Buildings Branch.

The beautiful Bay St. Louis postoffice building was completed and occupied some months ago and the grounds are to be seeded and shrubs planted in order to beautify the building and to set it off to advantage.

Judge Nat Bolton of Gulfport Earns Title Of Marrying Judge

Judge W. N. Bolton, of Gulfport, has gained the reputation as "marrying Judge" on the Mississippi coast, having married 207 couples last year, which is considered a new record. Judge Bolton tied the nuptial knot for 103 couples during the year 1935, but the past year set the record for him as the "marrying Judge." Judge Bolton performed six weddings in a single day, to make a record in this respect."

CONSIDER YOUR PROBLEMS

THE average person, at times, stops to ponder on the problems of life and very often arrives at a conclusion that would lead to considerable improvement if it was logically followed through.

We hasten to advise all readers of The Echo, not to give too much attention to the perplexing mysteries of the universe and the manifold misbehavior of mankind. Time is rather important and it is more sensible to give such thought as you have available to the solution of the problems affecting your own life and within the range of your own capacity to correct.

There are many men and women who swing through life with the idea that there is nothing to bother about, that what is will always be and that somehow the family will take care of itself. While this philosophical calm might be comfortable it is not entirely sensible. It would be much better for people to concern themselves with the development of their own personalities, the solution of questions raised in their daily touch with others and attempt seriously to fit themselves in the day and age in which they live.

There is no magic formula for accomplishing this. Each man and woman, each boy and girl, have different problems and must arrive at the goal through various methods. Your method might not be the same as that adopted by another and yet both may seek the same destination. Try to make progress yourself and encourage others to do the same. It is the way to live.

TO BEAUTIFY GROUNDS.

IN the advertising columns of The Sea Coast Echo appears a notice inviting bids for the beautification of the Bay St. Louis postoffice grounds—for seeding and planting the spaces surrounding the beautiful building.

There has been and still exists a keen lack of something that disparages the building. While its lines and color and material used all combine for a handsome and imposing appearance there has been a woeful lack. It is safe to predict that with completion of garden embellishment the building will be considerably enhanced and it will then appear as the complete product for which we owe a vote of thanks to Congressman Bill Colmer and Senator Pat Harrison co-operating in the Senate.

We hail the improvement and it cannot be accomplished any too soon.

A GREAT WRITER PASSES ON

THE death of Arthur Brisbane removed from the ranks of current journalists the most widely read writer in the nation.

Mr. Brisbane had an unusual gift of clear expression and pungent thought which attracted millions of people to form a habit of reading his celebrated columns.

One might differ with the veteran Hearst editor on many subjects, but he was always interesting, arresting thought and stimulating mental reaction. After all, isn't this the chief end of all writing and, by this standard, wasn't Mr. Brisbane about as good as the present age had to offer?

Roger Babson, business and financial statistician, and known as an infallible forecaster, sees much for New Orleans for '37. He says that section will enjoy a greater business activity and prosperity than ever. New Orleans' success spells success for our Mississippi Gulf Coast.

The Sea Coast Echo wishes to congratulate and extend best wishes to the new Bay St. Louis administration that took seat Monday morning for the four-year term. The past four years of hard sailing has been hard but the administration weathered the gale pretty well and easier sailing is promised for the next term. The old saying of never swap horses while crossing a stream still holds good. It was well to re-elect the same administration.

There are thirty-three persons in the United States who have a yearly income of at least a million dollars, according to the Federal Internal Revenue authorities. Fifteen are in New York State, and the others are spread over eight states. If a man keeps away from New York he has a fair chance of walking about freely without bumping into someone who has a million dollar income. Statistics thus confirm the conclusions which we had already reached by sizing up our own bank rolls and those of our friends and acquaintances.

Automobile casualties continue at high rate. Regardless of the safety campaign over the country the number of deaths pile higher than ever. It appears the remedy—and a drastic and last resort—would be to discontinue the manufacture of autos. The death rate is appalling. There seems nothing can be done about it. A life snuffed out by an automobile accident seems to leave no terror, just another death. A death by other tragic means stirs the community beyond bounds. People get up in arms. Long and tedious court trials follow and either the noose or the hot chair demands the penalty. The question resolves, what are we going to do about it?

JUDGE-DESIGNATE SIDNEY C. MIZE.

THERE appears to be universal satisfaction over the selection of Sidney C. Mize to become Judge of the United States district court for the southern district of Mississippi.

This is Senator Pat Harrison's selection, with the approval of Attorney General Homer Cummings. The appointment is to be made by President Roosevelt and confirmation by the Senate, of which there is not the slightest scintilla of doubt.

The recommendation even met the approval of Senator Bilbo, apparently since he included Mize's name in a list of twenty names that would be acceptable to him, if one of the number were recommended and appointed. It is safe Senator Bilbo will not attempt to fight confirmation. It would be futile anyway.

Attorney Mize lives at Gulfport, where he practices. Married and has three daughters. While he has held various positions of trust and honor and is a distinguished member of the American Bar Association and the Mississippi State Bar Association, he has never held public office. This will be his first.

He is thoroughly qualified to fill the high office that has come to him. He well merits the distinction. He has marked ability and has spent the past twenty-five years not only practicing law but fighting for whatever he thought best for this section and its people. He has friends wherever known. Practically everybody who knows him calls him Sid. That is an affectionate term and significant of the fact he is beloved by all who know him. He has poise, dignity, is cordial, and will add to the ermine of the judiciary. Senator Harrison could not recommend more than one. He made a happy selection. President Roosevelt will make the appointment and the Senate will give its confirmation.

PURPOSE OF THE PRESIDENT'S BALL

THE purpose of the Birthday Ball for the President is to create, through the direct help of the citizens of our country, funds with which to help victims of Infantile Paralysis and support research efforts to wipe out the disease itself.

Infantile Paralysis continues to menace the children of the country, adding thousands of new victims annually to the several hundred thousand already crippled. The need of continued effort in their behalf is greater than ever, and once more the call is made to our fellow-countrymen to share in this humanitarian work, which for the past three years they have aided so generously and with such outstanding credit to our nation.

President Franklin D. Roosevelt again has consented to lend his birthday to this nationwide series of benefit balls. The public already is giving a thrilling response to the charitable call.

The President again has approved the plan that 70 per cent of the proceeds raised by each local Birthday Ball be kept in the community for the treatment of Infantile Paralysis cripples. The remaining 30 per cent of the proceeds will be turned over to the National Committee for delivery to the President, to be presented by him to the Georgia Warm Springs Foundation for the continuation of its part in the national fight against Infantile Paralysis.

The President's Ball is the rallying point for all those who wish to Help Stamp Out Infantile Paralysis.

"WE HAVE JUST BEGUN THE FIGHT"

A MOST auspicious meeting was held Wednesday noon in this city when members of the Rotary Club and representatives of the different branches of our civic, professional and business interests assembled and met to push forth the effort to procure the services of natural gas for this immediate section.

It was by large attendance a splendid manifestation of that spirit that means for success. Our city is on the threshold of a new future. There are several projects in mind for the accomplishment of a better and more prosperous place in which to live.

One of the factors is gas for domestic and industrial purposes. The meeting was in every way a success. There were various speakers. Each said something worth while—toward getting closer to the goal of attainment.

One of the high spot expressions of the meeting was when the president of the Rotary Club said, prior to adjournment, "We have just begun to fight."

THE WORLD SITUATION

THE world situation, as 1937 opens, presents the nations of the globe engaging in a feverish race to strengthen navies, build-up armies, increase air corps and bolster reserves of finance and economy.

There are few persons so simple as to believe that this is a development in the interest of peace. However, it would probably be a mistake to accept the idea that it spells inevitable warfare.

The past year witnessed just such activity and, in spite of it all, the peace of the world was maintained among the leading nations if not in Ethiopia and Spain. There are dangerous spots today, where a little flame might mean a world conflagration, but the hope exists, at least, that the nations will manage to muddle through and eventually reach a satisfactory settlement of their problems.

A BELATED RESOLUTION

By Clayton Rand

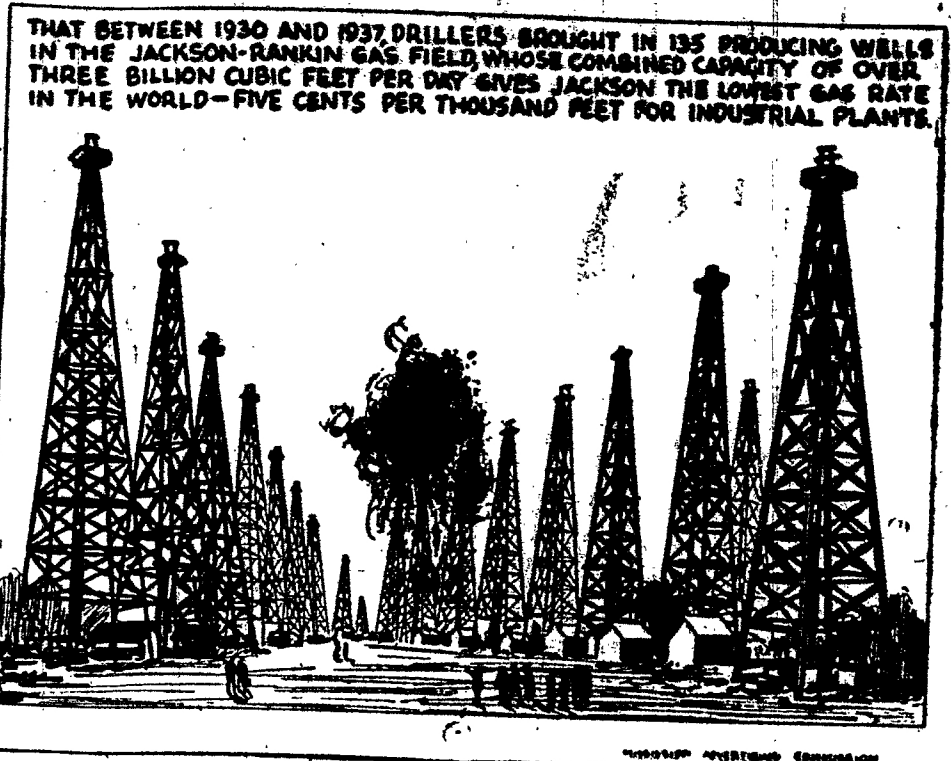

IF I were a business man and were doing some "resolving" for the New Year, I'd first look one fact square in the face—business will be better in 1937.

Then, believe it or not, I'd figure out some way to present my story to the public intelligently and effectively through my local newspaper, and cash in on this increased prosperity.

The federal government has primed the business pump until we have more inflation than we had before the crash of 1929.

Business won't be good forever, but a man that can't make some money under present conditions might as well fold up his tent and look for a permanent berth on the public dole.

It's a Fact...

INTERESTING NEWS ITEMS OF THE MOVIES AND FILM FOLK IN HOLLYWOOD

HOLLYWOOD is continuing the Southern cycle with the announcement that M-G-M is planning the production of "Arouse and Beware," by McKinley Kantor, dealing with the flight northward of refugees during the War between the States. Lionel Barrymore will probably have a leading role.

Paramount's "Mountain Music," is also along the same lines and will feature Bob Burns and Martha Raye.

Since her success in "Show Boat" and "Theodora Goes Wild," it is rumored that Irene Dunne is demanding \$150,000 a picture. Whether this sum was finally agreed upon or not, Miss Dunne has signed a contract to appear in "The Joy of Living," a musical which RKO-Radio will produce.

Producer David O. Selznick has received the gold medal given annually by the motion-picture committee of the League of Nations for his film, "Little Lord Fauntleroy." It was adjudged a perfect picture.

Joe E. Brown is the first resident of Hollywood to receive appointment as honorary colonel of Massachusetts. He was appointed by Governor Curley after a friendship which began during World War days.

Cutting short his European reconciliation trip with his wife, Lilli Damita and returning instead to Hollywood for the leading role in "The Prince and the Pauper," Errol Flynn—receives a \$20,000 bonus from the studio.

The moving picture industry celebrated Christmas by handing out thousands of dollars in bonuses to employees in the lower-salary brackets. The largest donor of bonuses was Twentieth Century-Fox where approximately \$500,000 was distributed to employees receiving less than \$200 a week, most of the sums equaling a week's pay.

Rumor has it that Barbara Stanwyck is to have the title role in the

revival by Samuel Goldwyn of "Stella Dallas," although he emphatically denies it.

Tyrone Power's mother and manager tried desperately to prevent his planned trip to New York because they feared he would meet and marry a girl back there which would be "bad business" for the budding romantic hero of the movies.

Interesting, if true, is the fact that two veteran movie comedians, Hobart Cavanaugh and Walter Catlett have spent every Christmas together for the past thirty years. Once Cavanaugh was in South Africa and it seemed destined, that the pair could not meet when a lucky booking sent Catlett to Africa and the date was kept.

Olivia de Havilland will be Dick Powell's leading lady in Warner Bros.' production "The Singing Marine," scheduled for immediate production.

Alan Jones, new singing star, is being kept quite busy. Following his casting with Jeanette MacDonald in "The Firefly," he was given a new contract by Metro. He has just completed "A Day at the Races" with the Marx Brothers and following "The Firefly" will probably be loaned to Warners for the re-make of "The Desert Song."

John Beal attracted such favorable notice in the title role of "The Little Minister," with Katherine Hepburn that he will be Miss Hepburn's leading man in "Violette."

Because of numerous protests from horse lovers, executives of a major studio changed the title "I Hate Horses," to "Breezing Along" for a forthcoming race-track picture.

Bing Crosby recently gave \$3,000 for prizes in the Rancho Santa Fe golf tournament which is to be played in February and added that he hoped he would win one of "my prizes."

IT'S TRUE!

By Wiley Padan

New York, N. Y.—"IT'S TRUE!" that Joseph Calleia is wearing a gold emblem in his buttonhole of which he is very proud," says Wiley Padan. "It is the symbol of the Knights of Malta, and was sent to him as a gift from a group of friends on the famous Mediterranean island, his birthplace."

STATE TAX YIELD UP MILLIONS; SEE NEW GAINS AHEAD

Mississippi's eight special taxes administered by the State Tax Commission yielded \$9,253,745.11 during 1936, it was revealed by Chairman Alf Stone.

The tax commission chairman's report showed 1936 revenues as \$2,003,803.60 in excess of the amount yielded by the same taxes in 1935 and an increase of \$2,732,975.04 over the yield of 1934.

More than 55 per cent of the total collected by the commission came from the state sales tax, the 1936 revenue on this tax being \$5,281,203.09.

Yield of other special taxes was announced as follows:

Income, \$977,613.34; franchise, \$256,444.11; admission, \$354,147.79; tobacco and malt, \$1,767,176.95; beer and wine, \$209,669.99; statewide privilege, \$321,587.78; dollar registration license, \$5,263.00; and inheritance tax, \$80,634.06.

The sharpest increase in revenue came from the income tax, which in 1934 produced only \$415,593.90 and \$745,631.20 in 1935. In contrast with 1934, the income tax revenue has doubled in the last two years.

Chairman Stone's report showed

that total collections by the commission since May 1, had mounted to \$30,819,255.15 to December 31, 1936.

Since tax revenues of the state auditor and motor vehicle commissioner are not compiled on a calendar year basis no figures were available on total 1936 collections.

State Auditor Carl N. Craig said ad valorem payments from the counties for the period October 1, 1936 to September 30, 1936, amounted to \$1,651,132.21. There remains an unpaid balance, he reported, of \$15,151.55, which the auditor described as something of a record because of the smallness of the sum still due.

The auditor said the balance existed because several counties including Hinds, had not asked for miscellaneous credits to cover refunds and other minor re-adjustments.

Not until mid-January will Col. Howard Dyer, motor vehicle commissioner, have received final reports on 1936 yield from the state tax on petroleum products; however, previous monthly reports have pointed toward a heavy increase in revenue.

\$3,600.00 PER FAMILY

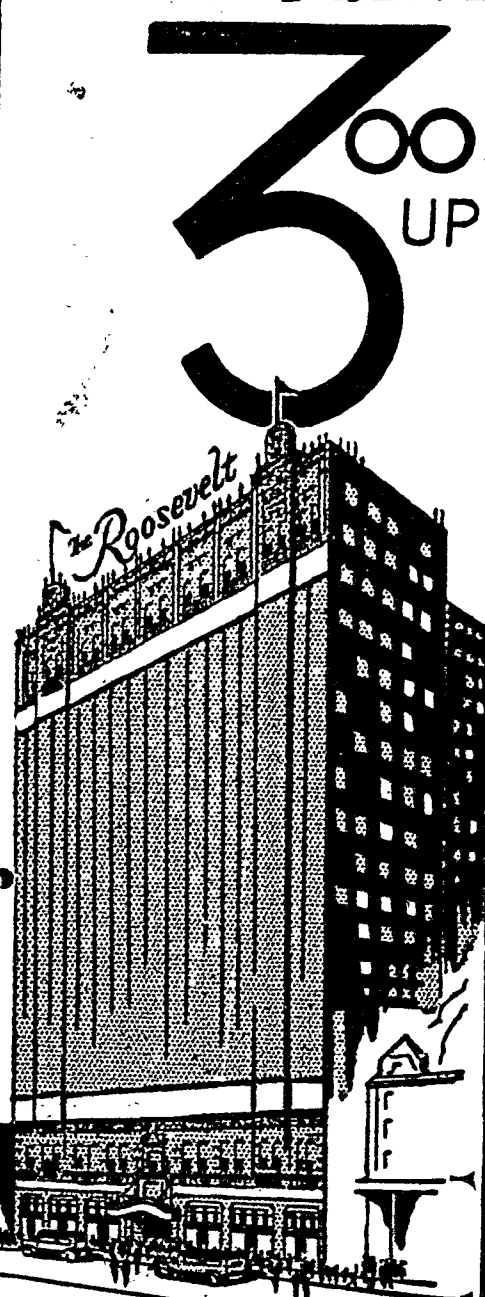

In summarizing the progress of Labor for the last twelve months and giving an idea what lies in the future, William Green, president, American Federation of Labor, declared that before industry can reach capacity production, everyone who wishes to work must have employment and every family must have an income of at least \$3,600.00.

AIDE

James Roosevelt, eldest son of the President, is permanently at the White House, where he is expected to be the confidential aide of his father, acting without official title or pay. His new position was first indicated on the recent cruise to South America when he was given the rank of Lieutenant-Colonel in the Marine Reserve so that he could have a definite place in social functions.

That times are getting better is certainly evidenced by activities among Hollywood celebrities. Bob Burns has bought four new houses and two ranches; Mae West is building another apartment house; George Raft has a new house, complete with chauffeur; Eleanor Whitney bought herself and her mother a Persian lamb coat; and Bing Crosby and Carole Lombard have purchased horses to add to their stable of thoroughbreds.

HARRISON SELECTS MIZE AS U. S. JUDGE REPLACING HOLMES

Sidney C. Mize, of Gulfport, was recommended by Senator Pat Harrison for appointment as federal judge for the southern district of Mississippi to succeed Judge Edwin R. Holmes.

Announcement of the recommendation of Mize to Attorney General Cummings was made from the senator's office in Washington. The vacancy was created through the promotion of Judge Holmes to the fifth district circuit court of appeals. Mize is 48 years old and has been a practicing attorney in Mississippi for the last twenty years, being widely known in state legal circles. It had long been rumored that he would receive Senator Harrison's bid for the life position on the federal bench.

Mize is a graduate of Mississippi College at Clinton and the University of Mississippi.

Following approval by the attorney general, which is assured, Mize's name will be transmitted to the U. S. Senate for confirmation after Congress convenes this week.

Mississippi's junior senator, Theo. G. Bilbo, had no part in the recommendation of Mize for the judgeship. The Mississippi senators split over the promotion of Holmes to the circuit court of appeals, with the issue raging during the senatorial campaign last summer when Harrison was overwhelmingly elected over the outspoken opposition of Bilbo.

Senator Bilbo later publicly bared a lengthy list of Mississippi attorneys who would be satisfactory to him for the judgeship, although no such endorsement had been sought from the junior senator.

SICKNESS

The American Federation of Labor recently made a study of sickness in the United States, concluding that it costs the average family \$108 a year. Stressing the fact that the family with the least income gets the least medical service, regardless of need, the Federation argues the need of Federal Sickness Insurance.

**Laxative combination
folks know is trustworthy**

The confidence thousands of parents have in the good, reliable, trustworthy Black-Draught has prompted them to get the new group of Black-Draught for their children. The new group of Black-Draught is a powerful Black-Draught, the youngsters probably will prefer it when they outgrow their children's dose of laxative. Mrs. C. V. Adams, of Murray, Ky., writes: "I have used Black-Draught for years, and I have never known a child to take it for a long time, taking it for a long time. Black-Draught acts well and I am always pleased with the results. I want a good, reliable laxative for my children. I have found a good group of Black-Draught to be just that."

HANCOCK HISTORICAL RESEARCH PROJECT TO PRESENT EXHIBIT SOON

Presentation at Recent Jackson County Fair to Be at City Hall For the Public

Some time in November the Historical Research Project put on an exhibit in Pascagoula at the Jackson County Fair.

Because our home people did not have the pleasure of seeing this exhibit we are planning another to be put on here for the near future. The exhibit will be planned along the same lines as the one held in Pascagoula which was quite different from the one held here in June.

Something of the work being done in the office will be shown. For instance under the chapter heading "Agriculture" the assignment from the state office together with our manuscript will be shown and some product of the farm.

One of the features which attracted great attention in Pascagoula was the division marked "Flora," and which was exhibited some of Mrs. Julius Schwall's gigantic chrysanthemums. Many, many comments were made and people returned for another look. Mrs. Schwall had every reason to be proud of her flowers and of the praise they won. This type of co-operation helped make the exhibit a success.

We are going to call on everyone who has anything to exhibit to assist us in this program.

We are still writing the history of Hancock County. Have you any information to pass on to us? Remember that this is your county too and you want the history to be accurate so send in your contribution. Telephone us and we'll call and get any information you may have. Watch for our exhibit. You will be invited to be a part of it. We want to lay the foundation of a museum. What have you in way of relics to contribute to a museum? Don't you want the Hancock County museum to be permanent?

We are located at the City Hall and are always glad to have visitors. Come in to see us and bring your contribution to the county history. There is always one to receive you and talk with you.—The Historical Research Office.

REMOTE

MARION DAVIES AND CLARK GABLE ARE COMING TO A. & G.

Theater Sunday and Monday in 'Cain and Mabel'—A Cosmopolitan Production

Two of the foremost stars of the silver screen, Marion Davies and Clark Gable, are brought together in "Cain and Mabel," a Cosmopolitan production replete with popular music, comedy, romance, spectacular feature numbers and the slashing action of the fight arena, which will have its local premiere at the A. & G. Theater, Sunday and Monday, as a Warner Bros. release.

Besides the glittering background of the theater, with its beautiful pageantry and its revelation of backstage life, and the thrill of a championship battle in the squared circle, there are two mammoth specialty numbers, one of which is said to eclipse in magnitude and splendor anything of its kind ever presented on the screen.

This is the "Thousand Love Songs" number in which Miss Davies leads one hundred and sixty of Hollywood's most beautiful chorus girls through intricate dance routines and spectacular scenes.

Another big specialty number is the "Coney Island" set. These production numbers were staged by the famous Broadway and Hollywood dance director, Bobby Conolly, with original music and lyrics by Harry Warren and Al Dubin.

Miss Davies has the role of the young waitress who springs to stardom almost overnight. In her rise to fame she inadvertently interferes with the career of a young prize fighter who aspires to become world's champion, the latter part played by Clark Gable.

The two come to hate each other cordially, but a truce is established by the actress' press agent who conceives the brilliant idea of announcing a romance between the two in order to further their popularity with the public.

Roscoe Karns plays the part of a newspaper man turned press agent to the rising young musical comedy star, while Allen Jenkins is the satirically comical prize fight trainer to Clark Gable. Walter Catlett is a theatrical producer who sponsors Miss Davies' shows and David Carlyle her leading man, who is a rival of Gable's for her love.

Other talented players in the supporting cast include Hobart Cavanaugh, Ruth Donnelly, Pert Kelton, Allen Colby, Robert Middleton, Joseph Crehan and Elly Mayson. Lloyd Bacon, who has handled scores of hit pictures, directed the production from the screen play by Laird Doyle.

THE ECHO'S COOKING CLASS

MORE and more fish is being eaten as we learn how to market and cook it; and nowhere is good cookery more important than in fish dishes. The right garnish or sauce or both and the combination of foods with which fish is served have much to do with the popularity of fish. In the following recipes one fish may be substituted for another.

Fish Chowder
2 lbs. haddock fillets
2 slices salt pork, diced
1 onion, sliced
2 1/2 cups milk
2 teaspoons salt
Pepper
2 tablespoons butter
1 tablespoon flour

Cut fillets in uniform pieces, not too small. Fry pork until crisp, add onion and cook until a delicate brown. Strain fat into chowder kettle, add fish, potatoes, salt and pepper. Cover with cold water, bring to a boiling point and simmer until potatoes are tender. Mix flour with a little water until smooth and add to the chowder with the milk. Bring to boiling point again and add butter. Add a few broken crackers. Serve with hot buttered cornbread. A green salad and a lemon pie.

Salmon With Celery
Parboil 1 cup of celery, cut in small pieces in salted water. Make a cream sauce by blending 2 tablespoons butter with 2 tablespoons flour. Add 1/2 cup of celery water and 1/2 cup of evaporated milk. Season to taste. Fold in 1 small can (7 1/2 ounces) of salmon. Put the drained celery in a baking dish, cover with the salmon mixture. Sprinkle with buttered crumbs and add a few dashes of paprika. Bake about 20 minutes until brown in an oven 350 degrees. Serve with baked potatoes, broccoli and grated raw carrot and shredded cabbage salad.

Creamed Tuna Fish
Drain 1 can of tuna fish. Make 2 1/2 cups of medium thick white sauce, seasoned with a dash of curry powder, the juice of 1/2 lemon and 2 tablespoons of pimientos. Add the tuna fish and serve hot. Serve with a vegetable salad, deviled eggs and hot biscuits.

Baked Stuffed Haddock Fillets
3 haddock fillets
1 cup dry bread crumbs
2 tablespoons boiling water
1/4 cup melted butter
1 tablespoon chopped onion
Salt and pepper
8 slices fat salt pork

Mix bread crumbs, butter and chopped onion. Moisten with boiling water and season with salt and pepper. Cut the fillets (about 5-8 of an inch thick) in halves, put a spoonful of the bread mixture on top of each piece of fish, then a thin slice of salt pork. Put in a baking pan with a little water and the other 2 slices of pork. Bake 50 minutes in oven 400 degrees, basting occasionally with the water in the pan. Serve with tartar sauce, parsley potatoes, grilled tomatoes and a salad made of shredded cabbage, green peppers, shredded lettuce with bacon dressing.

Fish Omelet
5 eggs
5 tablespoons milk
Salt and pepper
1 cup canned or cooked fish flaked

2 tablespoons fat
Mix eggs slightly, just enough to blend yolks and whites. Add milk, salt, pepper and fish. Melt fat in omelet pan and turn in the egg mixture. Fry with a fork until the while is of a creamy consistency. When brown underneath, fold and turn out on a hot platter. Garnish with diced beets.

Broiled Finnan Haddie
Wash fish thoroughly. Let soak in cold water, skin side up, for 1/2 hour. Pour off water, cover with hot water and let stand 15 minutes. Drain thoroughly and wipe dry. Brush with melted butter and broil slowly 15 or 20 minutes. Put on a hot platter, spread with butter and a little cream. Sprinkle with pepper and garnish with lemon. Serve with chilled tomatoes, cucumbers and baked potatoes.

Creole Oyster Gumbo
2 dozen oysters
2 quarts oyster liquor
1 tablespoon butter
1 pint hot water
1 tablespoon flour
1 white onion
Parsley, thyme and bay leaf
Salt and pepper

Put the butter into a kettle and when hot add flour. When brown add the chopped onion and parsley. Fry these brown, then add oyster liquor; then add hot water. When it comes to a boil add the drained oysters. Cook 3 minutes; take off stove and stir 1 tablespoon file into hot gumbo. Serve at once with boiled rice.

Moreau, representing The Sea Coast Echo, left Friday morning by rail for Meridian where they will attend the winter meeting of the Mississippi Press Association for a two-day session, the closing event of which will be the banquet Saturday night, members of the Mississippi and Alabama editors and publishers will be present. Gov. White of Mississippi and Gov. Graves of Alabama have accepted an invitation to be present. They will be registered at the Lamar Hotel.

LOOKS LIKE 'MUD' OVER IN JACKSON COUNTY POLITICS

The Jackson county grand jury may clear up the mystery surrounding a ballot box which disappeared during a Democratic primary at Pascagoula in 1935 and was fished out of Back Bay near here this week.

Officials, lacking the ballots, computed the vote from the tally sheet. The mud-caked box was turned over to authorities for possible further investigation.

New Orleans Twins Fete 76th Birthday, Recall Old Times

Mrs. Margaret Fahner and Mrs. Elizabeth Wichterich, New Orleans oldest twins, who celebrated their 76th birthday together Sunday afternoon, recalled old times and "just wished they were 40 years younger so that they could join in all the good times of the young people nowadays."

"I was always playing jokes on people when I was a youngster," Mrs. Fahner said. She claimed to be the "mischief maker" of the pair. "My sister was always quiet." She said, "I guess that all twins are different."

Their birthday celebration was held at the home of Mrs. Wichterich, 625 Independence street. Mrs. Fahner lives at 819 Clouet street with a sister, Mrs. Barbara Lessings.

The party was attended by Mrs. Wichterich's four children and 16 grandchildren and other relatives. Her only great-grandchild, Hubert Winterrowd of Shreveport, was unable to attend the festivities. The other twin has no children.

State Bank Call Issued By Fair New Bank Comptroller

Call for condition of state banks as of December 31, 1936, was issued today by State Bank Comptroller D. L. Fair, in connection with the national bank call.

This is the routine, year-end call, and will take several weeks for completion of reports, the comptroller said.

Mr. Fair, who was appointed bank comptroller last week, only two days before he took office on January 1, said he had no comment to make concerning personnel of the department. The old staff, kept virtually intact when M. D. Brett took office two years ago, is being retained by the new comptroller for the present.

Patriotic Citizen Gives Use of Club For Birthday Ball

Mr. Chas. A. Breath, proprietor and operator of Uncle Charlie's Nite Club, has donated the use of his beautiful club building and his Saturday night date of January 30, for "The Birthday Ball for the President," which will take place on the night of that date and President Roosevelt's birthday, without cost. He will forfeit that date (Saturday night) and donate use of hall.

Main committees for the Birthday Ball for the President will be made public in the columns of The Echo next week.

While en route home, after spending a few days in Old New Orleans, Mr. and Mrs. Patrick J. Keenan, an attorney of New York City and Mr. and Mrs. Leo P. McDonald, who reside in Brooklyn, spent New Year's and the day previously in Bay St. Louis, visiting the Gulf Coast. This delightful party, who were enjoying their first visit to this section, were genuinely impressed with the beauty of the place and lavish in their expressions.

While here they were at The Answer. They boarded the late New York train Friday night direct for home.

—The Rev. R. J. Kirschenheuter, C. M., who has been visiting South on a holiday vacation since before Christmas, visiting his sister, Mrs. J. H. Thompson at New Orleans, and his sister, Mrs. L. S. Elliott at Bay St. Louis, dividing his time, left here Thursday morning after a visit and will leave New Orleans Friday afternoon, resuming his duties at St. Louis, Mo., where he is stationed. His stay here was one of much pleasure since he was privately entertained by several families and invited friends who were eager to make his stay one of holiday entertainment.

SANTA CLARA AND L. S. U. TEAMS TO RECEIVE \$40,000 EACH AS RESULT OF SUGAR BOWL GAME AT N. O. NEW YEAR'S

SANTA CLARA and L. S. U. will get \$40,000 apiece from the gate receipts of the Sugar Bowl game. When the taxes are taken from the \$121,000 receipts, it will be approximately \$105,000 net. Last year the competing teams got \$37,000 each.

Officiating in the Sugar Bowl game is very profitable. Each of the officials received a check for \$250. Rose Bowl officials get only \$100. So the officials in the game at New Orleans New Year's Day are the highest paid in the country.

The final dinner given the Santa Clara players and coaches brought about sincere expressions of regret by the Californians that they had to leave here after receiving such wonderful treatment from the New Orleans Mid-Winter Sports Association and they thought it a fine gesture on the part of President Joseph M. Cousins to wait

until later to present the Sugar Bowl to the team before its home folks in California.

Coach "Buck" Shaw said he hoped his team would have another chance to play in the Sugar Bowl. George Casey, president of the Santa Clara Alumni, said his crowd received wonderful treatment here while Nick Schino assured everyone that if they should come to San Francisco they would be entertained as royally as was his party here. Tom Lenehan, acting as the official representative of California, praised New Orleans for its wonderful hospitality.

Sam Dunne, Santa Clara athletic director, was glad his team made good and that the Broncos completed those touchdown passes.

"But the best pass in football which the fans enjoy most of all is a complimentary pass," he added.

MARCHY SCHWARTZ NAMED IN ASSOCIATED PRESS REPORT TO BE NEW IOWA GRID COACH

An Associated Press report to the daily press during the week from Iowa City, Iowa, says that the University of Iowa was looking for a football coach today.

The athletic board will meet either tomorrow or Wednesday for preliminary discussion concerning Ossie Solem's successor. Top-flight coaches in all parts of the country and lesser lights just making names in the football world were suggested as possible candidates to succeed the man who accepted a three-year contract at Syracuse university Saturday.

Prominently discussed were Howard Jones of Southern California, who gave Iowa Big Ten championships in 1921 and Frank Thomas, coach of Alabama's Crimson Tide; Gus Dorais of Detroit university; Charles Bachman of Michigan State; Jim (Kelley) DePaul; Marchmont Schwartz of Creighton,

and John (Clipper) Smith of Duquesne.

If Iowa should decide to take one of its own, a possible selection would be Aubrey Devine, former Hawkeye all-American quarterback under Jones and now scout at Southern California.

Personal and General

MISS DEL BONDIO'S NEW YEAR'S EVE CARD AND SUPPER PARTY.

MISS L. C. Del Bondio and Miss Marie E. Bertrand with Miss Hazel Abbley, were hosts New Year's Eve night to a delightful and memorable party, marking the departure of the Old and welcoming the New Year.

During the early part of the evening and prior to the mid-night hour, cards entertained the guests.

There were "500" players and bridge the diversion for the larger number. While the successful contestants of the evening were being announced the wheel of twelve months had slipped into history and the new entered. It seemed a time-featured of the evening's pleasure—that the strike of the clock should come at that particular moment.

Immediately followed the mid-night supper. The toast of the evening was delivered by Mr. Geo. E. Pitcher whose timely thoughts and well-selected phraseology were fitting and accelerated the spirit of the moment.

Miss Del Bondio, a speaker of ability, added to the festive spirit by words of welcome and graciously receiving. In closing she said the party was in dual celebration—not only for the advent of the New Year but also as an acknowledgment and jubilant expression of gratitude for the full recovery of her dear friend, Miss Bertrand, who, last year at this time, she said, was seriously ill and was the subject of a major operation. She was grateful for her recovery and wished to make a formal acknowledgment.

Later, by previous request of Miss Del Bondio, a set but short talk was delivered by a newspaper man and close friend of the family, formally expressing the felicitations of the evening.

Playing bridge were Mrs. Fred Mattes, Mrs. G. A. Smith, Mrs. (Dr.) A. P. Smith, Mrs. Chas. G. Moreau, Mrs. Kenneth W. Pepperdine, Mrs. Alice Buckley, Mrs. George E. Pitcher, Mrs. Q. E. Cutrer, Mrs. G. E. Gary, Mrs. Mary Smith, Miss Jane Lang, Miss Katie Fitzpatrick, Miss Nettie Fitzpatrick, Miss Marie E. Bertrand.

Gentlemen included Messrs. Arthur Lang, G. A. Schmidt, K. W. Pepperdine, Dr. C. M. Shipp, C. G. Moreau, Dr. A. P. Smith.

Successful bridge players, each presented with a handsome trophy, were Miss Nettie Fitzpatrick, Mrs. Alice Buckley, Mrs. G. E. Pitcher, in the order named; Messrs. Dr. C. M. Shipp, A. Lang, G. A. Schmidt.

"Five Hundred" players: Miss Mattes, Mrs. F. P. Wittmann, Mrs. Martin Farrell, Mrs. Joe Wittmann, Mrs. B. E. Burke, Mrs. J. C. Liverseed, Miss Mary F. Elam, Miss L. C. Del Bondio and Miss Hazel Abbley.

Gentlemen players included Messrs. Fred Mattes, Mr. F. P. Wittmann, Mr. George E. Pitcher, Mr. Q. E. Cutrer, Mrs. J. C. Liverseed.

Successful five hundred players were Miss Mattes, Mrs. B. E. Burke, Mrs. Martin Farrell, Messrs. G. E. Pitcher, F. P. Wittmann, Q. E. Cutrer.

A full course supper was served. The guests took their departure about 2 o'clock. A more delightful affair would be hard to conceive. The inviting and ever hospitable home was elaborately yet most tastefully decorated. A feature was the Christmas tree, and other like decoration.

Between the serving of the supper courses a number of short sketches in character and costume were presented by Joe Gilbert of Bay St. Louis who gave three numbers in his own inimitable style.

Miss Del Bondio kept open house at "Blue Heaven" all of New Year's Day and many visitors enjoyed the hospitality of this ideal hostess and Miss Bertrand.

House guests of Miss Del Bondio for the holidays included Mr. and Mrs. Q. E. Cutrer and Mrs. G. E. Gary residents of St. Martinsville, La.

WEDDING AT N. O. OF LOCAL AND GENERAL INTEREST.

A wedding of local and general interest took place at Trinity Episcopal Church at New Orleans Tuesday evening when Miss Laura Fenner, younger daughter of Mr. and Mrs. Charles Erasmus Fenner, became the bride of Mr. Claude Miller Williams, now of New Orleans and formerly of Nashville, Tenn. The bride is a niece of Mrs. C. L. Horton, of Bay St. Louis, who has visited Bay St. Louis and the Gulf Coast and is well known in social circles.

From a print of an account of the event the following excerpts will prove of more than passing interest: Following the ceremony a large reception was held at the home of the bride's parents on Palmer avenue. The young couple received the many guests in the drawing room before the large mantle which was decorated with ivory-colored lighted tapers, pink roses, larkspur and white baby's breath. On either side of the mantle stood tall standards holding tall, ivory-colored cathedral tapers. About the room, too, were glorious clusters of a variety of pale pink flowers, baby breath and also Australian tree ferns. In the music room were similar decorations.

In the hallway was a profusion of Sybotium plants and the railing of the stairway was twined with smilax. The two newest posts were decorated with clusters of pink blooms in shower effect.

Mrs. Fenner, mother of the bride, wearing a stunning French model of blue and silver lace made on long simple lines and worn with a corsage bouquet of orchids, was assisted in receiving by her sister,

No wedding of the season claimed more interest socially as both families are so well known. The bride who attended Newcomb college, where she was a member of Phi Beta Phi Fraternity was formally introduced a few seasons ago when she received a number of Carnival honors and the following year she was chosen as queen of the Carnival, a very signal honor.

Mr. Williams for the past number of years has made his home in New Orleans with his uncle, Dr. Hillard E. Miller and Mrs. Miller, on Walnut street.

Later in the evening Mr. Williams and his bride left on a wedding trip, the latter wearing a brown suit with brown accessories. Upon their return they will be at home temporarily with the bride's parents on Palmer avenue.

FAMILY NEW YEAR DINNER PARTY AT HOME MAYOR BLAIZE.

Judge and Mrs. S. Allen Bordelon and daughter Carmen, the latter a senior at L. S. U., motored from their home at Marksville, La., to New Orleans New Year's Day to witness the Sugar Bowl classic after which they came to visit Bay St. Louis relatives, house guests of Mr. L. N. C. Spotorno and sisters. Sunday the Judge and family were among the guests at a private New Year dinner given by His Honor, Mayor and Mrs. G. Y. Blaize, at their oak-embowered home where hospitality ever abounds.

PARTY BY MISS LUCY WESTON AT LOCAL HOTEL SATURDAY.

The spacious dining room of Hotel Weston was the scene of a beautiful and enjoyable New Year's Eve dance Saturday night, given by young Miss Lucy Weston, daughter of Mr. and Mrs. Harold B. Weston. Decorations were in keeping with the spirit of the happy New Year, and an array of many-colored balloons were suspended from the overhead of the ball room. At mid-night caps and horns were distributed to the guests. Among those present, in addition to a number of chaperones, were Lucy and Ann Weston, Vivian Prague, Mary McDonald, Rosemary Delokery, Beryl Kergosien, Helene Kergosien, Ernestine Booch, Iris Davis, Jackie Graves, Georgette Hale, Caroline Nolan, Maria Weston, Leo Seal, Jack Baxter, Steele and Jimmy Ansley, C. C. and David McDonald, Jack Weston, Emile Gex, Jr., Paul Lacoste.
